D

Hello nikunj410,

Your download is available at the following address:

https://api.gbif.org/v1/occurrence/download/request/0005496-220831081235567.zip

Citation

When using this dataset **please use the following citation:**

GBIF.org (7 September 2022) GBIF Occurrence Download https://doi.org/10.15468/dl.r4husf

Download Information

DOI: https://doi.org/10.15468/dl.r4husf (may take some hours before being active)

Creation Date: 02:00:04 7 September 2022

Records included: 6218 records from 30 published datasets

Compressed data size: 0 B

Download format: simple tab-separated values (TSV)

Filter used:
```
{
  "and" : [
    "Country is one of (United States of America, Canada)",
```

```
    "TaxonKey is Dreissena polymorpha (Pallas, 1771)",
    "Year 1980–2022"
  ]
}
```

Download file retention

Information about this download will always be available at https://doi.org/10.15468/dl.r4husf and https://www.gbif.org/occurrence/download/0005496-220831081235567

The simple tab-separated values (TSV) file will be kept for six months (until 7 March 2023). You can ask us to keep the file for longer from https://www.gbif.org/occurrence/download/0005496-220831081235567

If you cite this download using the DOI, we will usually detect this and keep the file indefinitely.

For more information on this, see https://www.gbif.org/faq/?question=for-how-long-will-does-gbif-store-downloads

Information / FAQ
